INSERT

Pregnancy and Women's Health
Subsection C. Medical Programs for Women

Summary

WAC 388-462-0015

Revised to:
Remove the requirement for pregnancy verification from medical staff. We can use a client's statement that they had a positive home pregnancy test.

Reword the WAC section to clarify.

Clarifying Information

Add a note that changes in income do not affect pregnancy medical.

Worker Responsibilities

Add information about using P02 for a pregnant child who is living with her parents and is requesting medical benefits for the pregnancy only.

Add information about determining if there is reasonable cause to report child abuse or neglect when a child becomes pregnant.

<p>If not deliverable, return to: Distribution Center, MS: 45816 For distribution changes, notify: Manual Distribution: MS 45816 or call 360-586-8439</p>

Add a new subsection with an explanation about newborn medical coverage and that the mother's medical ID is used for the new born for the first two months after birth.

Reword other subsections for clarity.
